

King of Kings #6

John 20

1. One of Drew's main points was that Jesus heals broken things.

****Do we see evidence of Jesus' healing broken things already today?**

****In what ways is the world in process of being healed, and how do Jesus followers participate in that?**

****How were you broken before you became a Jesus follower? And how does he continue to heal you?**

Consider sharing a personal story.

2. After his resurrection, Jesus had a different kind of body. Paul writes in 1 Corinthians 15:20 that Christ is "the first fruits of those who have fallen asleep."

****What was Jesus' resurrected body like? Consider the stories of things he did (appearing in a locked room) or things about him (still had marks of the nails).**

****What will our resurrected bodies be like?**

3. When Jesus was resurrected, but before he went into heaven, Acts 1:6 records a question that his disciples asked him: "Is it now that you are going to restore the kingdom to Israel?" Jesus response is: "It is not for you know the times or dates the Father has set by his own authority. But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth."

****What kingdom were the disciples thinking about, and what kingdom was Jesus thinking about? Were they the same or different?**

****What is the Kingdom of God?**
